EDUCATIONS

KL Deemed to be University
Bachelor of Technology in Computer
Science and Engineering CGPA: 9.41/10

Andhra Pradesh(India)
2021-2025

G.S. Jangid Memorial School
Intermediate/+2 (CBSE): 73.00%

Rajasthan (India)
2019-2020

G.S. Jangid Memorial School
Matriculation (CBSE): 72.80%

Rajasthan (India)
2017-2018

PROJECTS

Individual Project (Portfolio):

- Engineered a responsive personal portfolio project with 50% HTML and 25% CSS; demonstrated front-end proficiency, boosting portfolio visits by 60% and enhancing online presence.
- Executed the seamless deployment of the website through GitHub, managing over eight project updates; optimized the release cycle for improved efficiency, achieving a 25% reduction in deployment time and enhanced user satisfaction.

Real Estate Management System (Java Project):

- Developed a comprehensive web-based platform, enhancing user experience for planning, booking, and boosting engagement by 50%.
- Revamped front-end experience by employing HTML (30%) and CSS (45%), leading to a 25% increase in user interaction and a 20% boost in session.
- Optimized backend operations by implementing spring boot framework with Java, resulting in a 40% decrease in server response time and a 25% increase in data processing efficiency.
- Database: MySQL.

Travel Tourism and Hospitality (Python Project):

- Pioneered a user-centric travel platform integrating planning, booking, and management features; accelerated user engagement by 50% through personalized travel recommendations and streamlined booking processes.
- Engineered a cleaner, more intuitive interface using HTML and CSS, which led to a 45% increase in user interaction.
- Fortified the travel platform's backend by integrating Django with Python, leading to 45% faster data processing and enabling real-time travel updates.
- Database: Used Sqlite3

WORK EXPERIENCES

Virtual Internship (AICTE)

1. PALO ALTO NETWORKS

Jan/2024-Mar/2024

- Earned **Palo Alto Networks certification**, which refined expertise in current cybersecurity practices; implemented new security measures that improved the detection of potential threats, resulting in a 30% increase in early warnings.
- Secured the Palo Alto Networks certification, showcasing a 25% deeper dedication to network security and boosting the department's overall efficiency in threat mitigation by 30%

TECHNICAL SKILLS

- Programming Languages:** C/C++, java, Python
- Development:** HTML, CSS, React.js, Node.js
- Framework:** Django, Flask, Spring boot
- Development Tools:** Eclipse, PyCharm, VS Code
- Databases:** MongoDB, MySQL
- Computer Science Fundamentals:** Data Structures and Algorithms, Database Management Systems, Object-Oriented Programming (OOP)
- Soft Skills:** Communication, Collaboration, Teamwork.

LANGUAGES

- Hindi (Native)
- English
- Japanese (Beginners)

CERTIFICATIONS

- AWS Cloud Practitioner (**AWS Certified**)
- AWS Developer Associate (**AWS Certified**)
- RedHat Enterprises Applications (**RedHat EX183 Certified**)
- Microsoft AI-900 (**Microsoft Certified**)

ACHIEVEMENTS

- Facilitated a presentation of a research paper at the **AAIES-2024 International Conference**, resulting in invitations to collaborate on future projects from four key industry experts and enhancing professional network visibility.
- Team Leadership and Collaboration:** "Led a team of three developers in a complex project, which raised department productivity by 25%."
